

Child Online Protection

CYBERBULLYING & SAFE POSTING

 Always treat others with respect whilst online.

 Respect other people's views and never respond to mean and rude messages, texts, comments and/or emails. If someone bullies you, seek help from your parents, a teacher or trusted adult.

 Do not share someone's video or picture without their permission.

 You have the right to block anyone who bullies you, and the right to report them to the social network so that anything offensive that was posted can be removed and/or blocked. Take screenshots of any interaction that upset you, and report these to a trusted adult or to the relevant authorities.
